Dear Friend,

The San Diego County Motor Officer's Association, Inc. was founded in 1981 and incorporated as a charitable 501 (c3) organization under Internal Revenue Service regulations. The Association consists of present and past, active duty and retired Motorcycle Officers in the County of San Diego.

The Association was formed for the purpose of professional improvement and social and recreational enjoyment of all present and past law enforcement motorcycle officers in the County of San Diego. The Association also provides a means by which to educate the public of the contribution of the Motorcycle Officer in keeping the peace and providing for public safety.

Each year the Association hosts events such as the annual May "Peace Officers Candlelight Vigil", the "Law Enforcement Memorial Breakfast" and the "Terry Bennett Police Motorcycle Training and Competition." These events have had a positive impact on the community and the law enforcement family.

The Association also assists members by providing financial aid when representing their department at official law enforcement events out of the San Diego area.

Current efforts are being made by the Association to boost membership in an effort to revive the organization. This will enable the Association to continue to provide support to the law enforcement family and the community.

If you would like to become a member, or renew your membership, simply complete the attached application and return it with your \$25 annual membership dues. All members will receive a t-shirt, and discounts at SDCMOA sponsored events throughout the year.
